

ACTION ALERT!!!

**Tell Congress:
Say NO to a Pay
Freeze Extension**

ON FEBRUARY 1st

Once again, Washington politicians are trying to reach into your wallet to pay for their mistakes. Tonight, the House of Representatives will vote on H.R. 3835, a bill to extend the current pay freeze by another year. We need you to become a part of the solution and stand up for federal workers!

**Tell Congress to
Protect Your Paycheck!**

We are urging all federal employees to call Congress (on your own time, using your own phone) and tell them to protect the paycheck you have earned. You can reach your elected officials by calling the Capitol Switchboard:
