

Dear NFFE-IAM Members:

A big congratulations goes out to NFFE Locals FL 376, 251, 1650, 1751, and 1.

Every day in Washington, DC, your union is fighting to improve the lives of NFFE-IAM members throughout the country.

Our ability to improve pay, benefits, and working conditions at bargaining table and in the halls of Congress depends on a strong dues-paying membership. It is only dues-paying members that provide the resources for NFFE not only to represent, but to collectively engage in the fight for, a better future for working people everywhere.

That is why I am so proud to honor NFFE's most successful membership building locals for the month of April 2023 with these Organizing Excellence Awards. Here are the winners:

#### NUMBER OF NEW MEMBERS

#### PERCENTAGE OF GROWTH

With this recognition we honor both the locals that received the greatest number of new members and the locals that grew by the greatest percentage over the course of the month.

Again, congratulations to all the locals that won the Organizing Excellence Award for April 2023. Your commitment to growing the union during such trying times is making the lives of the employees we represent better. Thank you for all the hard work you are doing to make this impressive membership growth possible.

These Organizing Excellence Awards will be issued monthly to NFFE's most successful membership building locals. Please make sure that all 1187 forms and/or IAM membership forms are sent to NFFE so that your local will be given proper credit for its membership building success. Forms can be emailed to
